

STOP CLYDE NORTH MEGA AI DATA CENTRE!!

**Have you heard about the planned
Data Centre Thompsons Road
Clyde North?**

Data centres:

- Consume massive amounts of electricity and water
- Increased power and water prices
- Noise pollution
- Diesel generators increasing air pollution
- No community consultation
- Few ongoing jobs once constructed

Are you concerned about the planned data centre?

**Get involved in
advocating for
our communities
best interests!**

**Clyde North Data Centre Community Action Group Facebook group
or visit stopclydenorthdatacentre.com**

**“Things will only improve when the people, all of us, say to authorities,
“I will hold you responsible.” - Erin Brockovich on data centre reform**

This group is coordinated by Annalise Mercer, Jill Nambu, and Roshan De Silva, your Greens candidates for Cranbourne, Narre Warren South, and Berwick. Authorised by M. Shield, Victorian Greens, 105/50 Queen St Melbourne VIC 3000
